Dear Mr. Myers:

We received your application letter dated September 30, 1999 for approval of the EF-4 and dual EF-4 outlet filter devices for use in the state of Florida onsite wastewater treatment receptacles.

After review of your letter, drawings, installation and maintenance instructions we find your filter to be in compliance with the requirements of Chapter 64E-6.008(2), Florida Administrative Code, (FAC).

Your outlet filter device is accepted as submitted.

Sincerely,

A handwritten signature in black ink that reads "Paul W. Booher". The signature is written in a cursive, flowing style.
