Dear Mr. Myers:

We received your application letter dated March 9, 2004 requesting approval of the EF-6 Effluent Filter for use in the State of Florida onsite wastewater treatment receptacles.

After review of your letter, we find your filter to be in compliance with the requirements of Chapter 64E-6.008(2), Florida Administrative Code, (FAC).

Your outlet filter device is accepted and approved as submitted.

Sincerely,

A handwritten signature in black ink that reads "Paul W. Booher".
