RUSSEL RYDIN
1125 OLD RAND ROAD
WAUCONDA IL 60084

Dear Mr. Rydin

RE: Code Approval of Tuf-Tite Products

Handles for sewage tank covers manufactured by Tuf-Tite do not require Wisconsin Plumbing Product Approval as long as Tuf-Tite states the handles are made for use as sewage tank cover handles and will withstand exposure to the elements.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Daniel P. Jensen'.
