Product Name: (trans id 3165753) SEPTIC TANK RISER AND LID
Model Number(s): 24-INCH RISER AND LID
Product File No: 20180240

The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters SPS 382 through 384, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an approval based on the Wisconsin Statutes and the Wisconsin Administrative Code. This approval is valid until the end of October 2023.

This approval supersedes the approval issued on May 21, 2013 under product file number 20130080.

This approval is contingent upon compliance with the following stipulation(s):

- The manhole cover must be secured to the riser using non-standard screws which are not slotted or Phillips head to be considered an effective locking device.
- Joints between riser sections shall be sealed with butyl mastic sealant and secured with a minimum of four screws.

The department is in no way endorsing this product or any advertising and is not responsible for any situation which may result from its use.

Sincerely,

Glen W. Schlueter
